

ATU Aviastar-TU
Airlines

In 1999 Aviastar-TU entered the cargo market with reliable aircraft

We help our clients to make more of their business!

since **2000**
Russian cargo market leaders

Boeing-757F, Tu-204C
Reliable aircraft

over **500** employees
Top class experts

high **confidence**
Russian Post and CDEK
long-term partner

over **55 000** tons
Annual cargo volume

90% of customers
Regular partners

over **7 000** flights
Annually

We're actively developing in accordance with the market needs and our key customers, meeting their expectations and service needs. We expand our fleet by working on its quantity, capacity and capabilities.

Our capabilities

Openly serving worldwide
we deliver different types
of cargo including:

Mail | AVI cargo | Military cargo | Dangerous goods | Material values | Pharmaceuticals | Oversized cargo

Our capabilities

Setting new horizons

We develop business relations with both existing customers and partners and the new projects as well.

Due to the CDEK Express Delivery and Aviastar-TU cooperation one of our Boeing 757-200 cargo aircraft received the appropriate livery
