Fleet expansion

We're actively developing in accordance with the market needs and our key customers, meeting their expectations and service needs. We expand our fleet by working on its quantity, capacity and capabilities.

Our capabilities

Openly serving worldwide we deliver different types of cargo including:

Mail | AVI cargo | Military cargo | Dangerous goods | Material values | Pharmaceuticals | Oversized cargo

Our capabilities

Setting new horizons

We develop business relations with both existing customers and partners and the new projects as well.

Due to the CDEK Express Delivery and Aviastar-TU cooperation one of our Boeing 757-200 cargo aircraft received the appropriate livery
